**COLLECTION OF FINE HARDWOOD DOORS
By MAi**

BILTMORE ESTATE®
For Your Home

Biltmore Estate, the largest private home in American history, opened its doors in 1895 near Asheville, North Carolina. Every aspect of the country estate reflects George W. Vanderbilt's ideal of timeless elegance and lasting quality. That ideal is reflected in MAi's Biltmore Estate® For Your Home collection of fine hardwood doors. Crafted of solid Malaga Cherry™ or American White Oak, each style was inspired by an actual door or design element in the Biltmore House. MAi now opens your home to the Biltmore aesthetic.
